

SIDE DISCHARGE

DINO 47

Stiga Dino 47

A straightforward lawnmower with almost unbeatable efficiency in high, tough grass.

The cutting system lifts up the grass before cutting and then ejects it through an opening at the side.

Equipped with the STIGA SV 40 engine that has a genuine float carburettor, which makes it extremely easy to start. And a balanced crankshaft that gives lower vibrations and a longer life.

The lawnmower is equipped with ball-bearing wheels and handle with comfortable soft OPC lever.

Cutting width is 45 cm.
